Library to Offer State Parks Program and Backpacks

(Nottoway County, Virginia – May 3, 2017)

The Nottoway County Public Library System (NCPLS) will host two programs at the Crewe Library in the coming weeks. The first program is scheduled for Monday, May 15 at 4:00; the second will be held on Saturday, June 3 at 11:00. These programs will serve as opportunities for community members to see the contents of the Nature Backpacks the NCPLS recently received from the Library of Virginia, get ideas for their use, and ask questions they might have about the local parks.

The Nature Backpacks are funded and made possible by the Library of Virginia, the Science Museum of Virginia, the Institute of Museum and Library Services, and Virginia State Parks. The backpacks include admission passes for the State Parks and are designed to encourage exploration and discovery outdoors. Each of the three Nottoway County library branch locations has backpacks available for borrowing by cardholders in good standing.
