Residents can now visit any library branch to access the Ancestry database, giving them access to millions of records. The Nottoway County Public Library System has a subscription which allows users access from any of the library's locations. Anyone needing assistance getting started with Ancestry is invited to attend one or both of the library's upcoming workshops. These will be held Saturday, June 17 at noon in Burkeville and Monday, June 26 at 6:00 in Crewe.
