These are available to download through the website at www.nottlib.org

From the Desk of Kathy Oliver...

Massey Cancer Center from VCU will be presenting a program about Colorectal Cancer, a growing problem in Nottoway County that we all need to be aware of. The representative from Massey Cancer Center will provide a lot of valuable information about topics including symptoms and prevention, and he will stay for questions after the **30 minute program**.

The **free** program will take place in the Conference Room at **Crewe Library Thursday, November 14th, at 11am** and it is sponsored by the Nottoway County Literacy Program to increase awareness in Health Literacy. Please encourage your friends and family to attend.

Ms Melissa's Plans for November

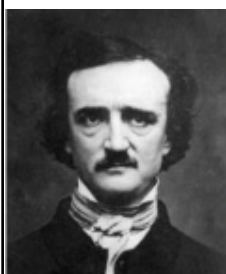

If you haven't seen our calendar yet, you might not know about the activities that Ms Melissa has planned. For the **week of Nov 4**, she'll be offering **tissue paper leaf trees** and **book page glitter leaves**. Come back **the following week** to make **acorn handprints** (kids) or **book art pumpkins** (for the young at heart). During the **week of Nov 18**, the plans are for **pom pom turkeys and leaf etching**. Ms Melissa will be following her usual schedule this month:

Tuesday: 1-6 in Blackstone

Wednesday: 2-8 in Crewe

Thursday: 11-4 in Burkeville

We're Expecting a Special Guest

No, Edgar Allan Poe won't be joining us (we're sorry to disappoint!), but a representative of **The Poe Museum** will be! November is SciFi Month, so this seems the perfect time to offer **Sci-Fi Evermore: Poe's Pioneering Science Fiction**. Come to the **Crewe Library on Tuesday, Nov 26 a 2pm** for this **free program**, and learn how Poe revolutionized the genre.
