SECTION ONE: ELIGIBILITY FOR USE AND REGISTRATION REV 10/16/24

The Nottoway County Public Library System welcomes, values, and celebrates the differences in its employees and in the members of its communities, and it strives to ensure that the library collection is representative of the community it serves.

The Library supports broader public access to Library programs and services and actively works to ensure that barriers to access by both the staff and the public are eliminated.

All new facilities of the Nottoway County Public Library shall be fully accessible to patrons and staff. The Library System will strive to adapt its current facilities to be fully accessible to all patrons and staff.

As a department of Nottoway County, the Library follows County policy as it relates to staff selection and it provides the public and staff equitable opportunities for growth through employment and education.

1.1 Individuals Rev. 10/16/2024

All residents, nonresident property owners, students, and employees of Nottoway County of all ages are granted full use of all services of The Nottoway County Public Library (NCPL). Non-residents are welcome to use the services of the NCPL on library property. Non-residents of Nottoway County may be granted library privileges by Administration.

1.2 Institutions 5/19/2010

Administration reserves the right to grant institutions library privileges, including borrowing privileges with the assurance that the Institution follows all regulations that pertain to individuals.

1.3 Governments 5/19/2010

The Nottoway County Public Library serves as an informational agency to the Nottoway County government and to local town governments within the county's borders. Service will be rendered to all agencies of these governments.

1.4 Revocation and Reinstatement of Library Privileges Rev. 6/4/2025

The Nottoway County Public Library reserves the right to withdraw or suspend library privileges (including being present on library property) in the event that an individual acts in a manner that interferes with other individuals' use of library services.

Anyone who has privileges revoked may appeal this action in writing to the Library Board of Trustees. Privileges may be reinstated once the administration judges that the suspended individual will not again break library rules or act in an inappropriate manner that will disturb other patrons.

1.5 Replacement of Library Cards Rev. 10/16/2024

A replacement for a card being lost by a patron or for any other reason that is not deemed to be beyond the control of the patron such as being naturally worn and no longer usable, will be charged to the proper patron account at a rate of \$1.00 per replacement.

SECTION TWO: BORROWING OF MATERIALS

2.1 Borrowing and Renewing Books and Other Materials

Rev. 10/16/2024

Library borrowing privileges shall be granted to any individual who qualifies under Section One of this document and makes proper application for such privileges. Library patrons are asked to present their library card each time materials are borrowed from the Library.

Proper application for library borrowing privileges includes providing the library with necessary personal information, promising to comply with all library rules, agreeing to pay promptly all fines and damages incurred, and agreeing to give immediate notice of any change of address. Any school-aged child may be granted a library card. Cards for children under age 12 must be applied for and endorsed by the child's parent or legal custodian.

Loan periods for materials are as follows:

Times may renew:

Books (except reference)	2 weeks	2
Compact Disks	2 weeks	2
Magazines (current issues)	2 days	0
DVDs	2 weeks	2
Launchpad Tablets	2 weeks	0
WiFi HotSpots	1 week	0
Magazine (back issues)	(may be kept; donations accepted)	
Reference items and newspapers cannot be checked out of library except with special permission.		

Except for electronic devices (hot spots and Launchpads) an unlimited number of items may be checked out unless particular subjects are put on limited reserve. Items such as back issues of magazines and other designated material are checked out at the desk, but are not entered into the NCPL computer system. Patrons are not obligated to return these items and like other sale items may choose to give the library a donation.

Effective March 1, 2024, patrons will be allowed seven (calendar) days to pick up a hot spot that is being held for them. If a patron does not come in during the allotted time frame, the next person on the waiting list will be contacted.

A patron's failure to return a Hot Spot on time will be noted on that person's account. After March 1, 2024, failing to return a device two times within a three month period will result in the loss of (hot spot) borrowing privileges for a period of three months.

2.2 Overdue Materials

Rev. 10/6/2024

With the exception of juvenile and young adult materials, items not returned or renewed by their due date are subject to fines. Late books and DVDs are charged at a rate of 10¢ per day, not to accumulate over \$2 per item. Fines for Launchpads and WiFi HotSpots accumulate at a rate of \$1 per day, not to exceed \$25 per item.

2.3 Lost Materials

5/19/2010

After notification by a patron, or after a final notice that materials are overdue and maximum fines are owed, the library may declare the item lost. The patron who loses an item is liable for the replacement cost of the item as determined by the Library System.

2.4 Damaged Materials

5/19/2010

If an item is returned in damaged form by a patron and the Library System determines that the item must be replaced, the patron who had the item on loan when it was damaged is liable for the replacement cost of the item as determined by the Library System.

2.5 Revocation and Reinstatement of Borrowing Privileges

Rev. 4/21/2021

It shall be within the authority of the Library System to revoke library-borrowing privileges of library patrons in the following instances:

- Patrons who have overdue library materials for which final overdue notices have been sent.
- Patrons who are negligent in making payment for damaged or lost materials.
- Patrons whose accumulated fines and penalties are in excess of \$10.00.
- Minors whose library privileges are to be revoked at the written request of the parent or legal custodian.

Any patron whose library borrowing privileges are revoked shall have the right to appeal such action to the Board of Trustees.

The Library System shall reinstate library-borrowing privileges as follows:

- For patrons who have library materials that are overdue, library-borrowing privileges shall be reinstated upon return of the materials.
- For patrons whose accumulated fines or penalties are in excess of \$10.00, privileges shall be reinstated upon full payment of these fines or penalties.
- For minors whose privileges have been revoked at the request of a parent or legal custodian, privileges shall be reinstated with the written approval of the parent or legal custodian.

2.6 Confidentiality of Records

Rev. 10/19/2016

The Code of Virginia 2.1-342 states,

The following records are excluded from the provisions of this chapter [Virginia Freedom of Information Act] ... (8) Library records that can be used to identify both (i) any library patron who has borrowed material from a library and (ii) the material such patron borrowed.

Accordingly, when any local, state, or federal official, or a private citizen seeks to gain access to library personal data, the following principles and procedures shall apply:

Library personnel shall not reveal any personal data on library users or allow access to such records. Library circulation records are confidential and gathered for library purposes. These records are not to be used to disclose identities of individuals in connection with materials borrowed from any facility of the

Nottoway County Public Library System. Individuals seeking personal data from library records shall be referred to the County Library Director.

To protect the library user against invasion of privacy, the County Library Director shall withhold any information to be used for non-library purposes until served with a legal process, order, or subpoena which specifically identifies the information required and the purpose of such a request.

Upon advice of legal counsel, if defects are noted in the process, order, or subpoena, there shall be insistence made to proper persons that such defects are corrected before any records are released. No records shall be released until such process, order, or subpoena is proper and in full compliance with proper legal authority, whether local, state, or federal in nature.

Any problems or conditions relating to the privacy of a library user's personal data as recorded by the Nottoway County Public Library System which are not provided for in this policy statement shall be referred to the County Library Director. A decision on heeding the request shall be based upon proper study of the issues, and if necessary, upon the advice and counsel of the Chairman of the Board of Trustees and/or legal counsel.

Most library computers have print capability. Copies of digital material may be made by patrons at the same cost as copies.

The Nottoway County Public Library System adheres to all of the provisions of the U.S. Copyright Law (Title 17, United States Codes Sec. 101 et seq.). Certain areas of copyright law continue to be open to interpretation; this policy represents a sincere effort on the part of the Library to operate within the full intent of the law. Appropriate notices will be posted at all copy machines, and other printing access points (computers, microfilm machines, etc.) reminding patrons of the Copyright Law. The Library disapproves of unauthorized duplication in any form regardless of media. Patrons of the Library System who willfully disregard copyright law are in violation of Nottoway County Public Library System Policy and do so at their own risk and assume all liability.

SECTION FIVE: REFERENCE SERVICES

5.1 Scope of Reference Services

Rev. 10/16/2024

The Nottoway County Public Library System strives to answer all informational questions from the public. This includes showing informational sources to patrons, demonstrating how to use reference sources, and if requested, directly looking up information for patrons. When necessary, the Library System will make referrals and/or contact outside sources to fully satisfy the patron's informational needs.

The Nottoway County Public Library System strives to acquire and maintain as many sources to answer informational questions as possible. These sources include all formats such as print, digital, and the telephone.

SECTION SIX: SPECIAL COLLECTIONS

6.1 Permanent Special Collections

Rev. 10/16/2024

The Library System may maintain special collections on a permanent basis. A special collection consists of materials that warrant being kept separate from the general collection due to local interest, value, ease of accessibility, or the need for special environmental considerations.

6.2 Temporary Special Collections

Rev. 10/16/2024

The Library System may also create temporary special collections for displays honoring a person(s), event, or special time of the year, and also for promoting reading, education, and library services.

SECTION SEVEN: PROGRAMS AND SPECIAL EVENTS

7.1 Library Sponsored Programs and Events

Rev. 10/16/2024

The Nottoway County Public Library System will offer special programs and events throughout the year to promote reading, literacy, education, and other efforts supported by the mission of the Library System. All of these programs will be open to the public and free of charge. Due to space restrictions and the cost of materials, there may be programs and events that will require advance registration. The Library System reserves the right to limit attendance at a program, either through advance registration, or on a first come, first served basis. Normally this will be done if attendance at an event may violate fire occupation capacity codes or is otherwise deemed unsafe for the public.

7.2 Other Events and Programs

Rev. 4/21/2021

The Library System reserves the right to schedule programs and events sponsored by outside organizations if they are consistent with the mission of the Library System. All outside groups must adhere to the policies of the Public Service Policy document including sections 7.1, 11, and 12.

SECTION EIGHT: DISPLAYS AND EXHIBITS

8.1 Outside Agency Sponsored Displays and Exhibits

5/19/2010

The use of library facilities for displays and exhibits by outside organizations is subject to review of the County Library Director.

Material being considered for display or exhibit must be in one of the following categories:

- Material produced by, or in co-sponsorship with local, state, or federal government agencies.
- Public service information produced by an established community organization.
- Material about political issues where both sides will be presented.

Displays and exhibits must be placed and removed at the direction of a library staff member under the direction of the County Library Director.

The Nottoway County Public Library System assumes no responsibility for lost, stolen, or damaged materials. Exhibitors shall indicate in writing that they have been advised of this policy, and that they agree to hold the Board of Trustees and staff of the Nottoway County Public Library System blameless from any claims for loss or damage to exhibits.

8.2 Individual Displays and Exhibits

5/19/2010

The Nottoway County Public Library System may solicit or accept the display of an individual for such objects as art and collectibles. The Library system has the right to determine where, how, and for how long the items will be displayed.

The Nottoway County Public Library System assumes no responsibility for lost, stolen, or damaged materials. Exhibitors shall indicate in writing that they have been advised of

this policy, and that they agree to hold the Board of Trustees and staff of the Nottoway County Public Library System blameless from any claims for loss or damage to exhibits.

8.3 Display and Distribution of Free Materials

5/19/2010

The Nottoway County Public Library System as practicable will attempt to disseminate current information of popular interest not readily available in other forms through the display of unsolicited free non-profit brochures, notices of non-profit meetings, and non-profit cultural activities.

Priority will be given as follows:

- Library materials.
- Information generated by Nottoway County or the Towns of Crewe, Blackstone, or Burkeville governmental agencies.
- Civic, cultural, and educational information.
- Other non-profit materials which will be displayed on a first-come, first-displayed basis as space permits.

The Library System will collect, catalog, and provide materials on a wide range of subjects as provided in the Collection Development Policy, but will not serve as a distribution point for organizations wishing to disseminate free copies of political (advocating a partisan viewpoint), moral, religious, or commercial tracts, or newsletters.

No materials may be distributed in the Library System without permission of the County Library Director. Materials will be discarded as soon as they are outdated, or in the case of undated materials, at the discretion of the staff member(s) assigned such duties and following library procedures.

The display of an item does not constitute an endorsement by the Library System.

SECTION NINE: OUTREACH SERVICES

9.1 Homebound

Rev. 1/18/2017

The Nottoway County Public Library System will, to the best of its ability, cooperate with community programs to deliver library materials to shut-ins and to take any other feasible action to insure that shut-ins have equal access to library materials.

9.2 Institutionalized

Rev. 10/16/2024

The Nottoway County Public Library System will work with the administrators of local institutions to assure that people in their charge have full access to library materials. This may take the form of issuing institutional library cards, welcoming group visits to the library, or providing deposit collections. Institutionalized patrons and institutions themselves are governed by the same library policies as all other patrons of the Library System.

9.3 Accessibility

Rev. 12/21/2022

All individuals are accorded the same library use privileges. The Library System will do everything possible to ensure its services and resources are accessible to all.

9.4 Delivery Services between System Libraries

Rev. 1/18/2017

In order to assure citizens of Nottoway County full access to all library materials, the Nottoway County Library System operates a regular delivery system between member libraries. At a minimum, normal operation consists of two deliveries per week between all system libraries.

SECTION TEN: GROUP USE OF LIBRARY SPACE

5/19/2010

The Library System strives to provide public meeting room space at each of its facilities. At the present time, only the Crewe Library can offer quiet meeting room space within a library facility. Meetings must be arranged with the Library System in advance. Rooms are available on a first-come, first-served basis. The meeting space is available at no charge for non-profit groups wishing to present programs or to hold meetings which serve the community's needs for education, information, and cultural enrichment, with the following provisions:

- All use of the meeting rooms is subject to the approval of the County Library Director or supervising librarian.
- Library sponsored or co-sponsored programs take precedence over other groups at all times. The library reserves the right to change or cancel reservations in emergency situations.
- Advance notice of 24 hours is requested, when possible, in the event that a scheduled meeting is canceled.
- The name, address, or telephone number of the library must not be used as the official address or headquarters of an organization, unless approved by the Library Director.
- Meeting must not be of a nature that would interfere with the normal operation of the library.
- The library meeting rooms are available only during the open hours of the library.
- Publicity for a meeting by a non-library group in a library meeting room must not be worded in a manner which would imply library sponsorship of the group's activities.
- Only 3 meetings may be scheduled on the calendar at any time for any group or organization.
- No alcoholic beverages are allowed in the library meeting rooms or on library premises.
- Each organization assumes the full responsibility for any damages incurred resulting from the use of meeting room facilities. Abuse of the facilities will be sufficient cause to deny further use of the rooms.
- The Library will not store or be responsible for any materials of an individual or organization that may need or use space for a program or meeting.
- Groups are responsible for cleaning up after their meeting and leaving the room as they found it.
- Organizations that desire to use the kitchen facilities in the library must arrange for such use prior to the scheduled meeting date.

Granting the use of its meeting rooms does not imply approval by the library of the group, the meeting, or the ideas presented at the meeting. The library is not liable for injuries to people or damage to or loss of property of organization using the meeting rooms. Failure to abide by any of these rules or to cooperate with library staff may result in loss of meeting room privileges.

SECTION ELEVEN: RULES OF CONDUCT FOR LIBRARY USERS Rev. 6/4/2025

It is the responsibility of the library staff to maintain library environments in a pleasant manner for as many people as possible. It is important that the staff be tolerant of a patron who behaves unusually, but who does not disturb others. Conversely, Library staff and/or law enforcement personnel will intervene to stop prohibited activities or behaviors which disturb others.

Users who act in a disruptive manner will be given one warning. Upon a second occurrence, the offender will be required to leave the library for the remainder of the day. If the offender continues to violate the rules of conduct upon their return, the offender will lose library privileges for a term to be determined by the library director. A person barred from the Library for a period of time can be prosecuted for trespass if he or she returns to the Library within that period of time.

11.1 Inappropriate Library Conduct Rev. 6/4/2025

The following are examples of actions not allowed on Library property. Taking part in any of these behaviors will result in appropriate disciplinary actions being taken by library staff and/or law enforcement personnel:

- Engaging in any activity in violation of Federal, State, local or other applicable law, or Library policy.
- Being under the influence of alcohol/illegal drugs.
- Verbally or physically threatening or harassing other patrons, volunteers, or staff, including stalking, staring, lurking, or offensive touching.

- Trespassing in nonpublic areas, being in the Library without permission of an authorized Library employee before or after Library operating hours.
- Entering the Library after having privileges suspended.
- Fighting or challenging to fight, running, pushing, shoving, or throwing things.

- Creating disruptive noises such as loud talking, screaming, or banging on computer keyboards.
- Using cell phones, pagers, and other communication devices without headphones or with headphones set at a volume that disturbs others.
- Using restrooms for bathing or shampooing, doing laundry, or changing clothes.
- Littering.
- Smoking, chewing, e-cigarette/vape use and tobacco product use.

document. Drinking beverages in a container with a lid that prevents spillage is allowed in public areas.

- Bringing in garbage, articles with a foul odor, or articles which, alone or in their aggregate, impede the use of the library by other users. Creating disruptive noises such as loud talking, screaming, or banging on computer keyboards.
- Using cell phones, pagers, and other communication devices without headphones or with headphones set at a volume that disturbs others.
- Bringing pets or animals, other than service animals necessary for disabilities, into the Library, except as authorized by the Director.
- Using a Library for childcare purposes. Neglecting to provide proper supervision of children. See next Section.

11.2 Unattended Children

Rev. 10/24/2018

Children are welcome in all of our libraries and we are concerned about their safety and welfare. However, parents and caregivers are responsible for monitoring the activities and regulating the behavior of their children while the children are in the library. Children under the age of 7 must be accompanied by a responsible adult.

If an unattended child is being disruptive or is deemed to be at risk of coming to harm (as in the case of a child being left unattended when the library is ready to close) the Library will take action. An effort will be made to locate the responsible parent, guardian or caregiver. If necessary, appropriate law enforcement or child protective authorities will be notified to take custody of the child.

We respect the privacy of all library patrons and will intervene only when, in the opinion of the library staff, the safety and well-being of a child is threatened.

11.3 Workplace Violence Policy

5/19/2010

It is the policy of the Nottoway County Public Library System to seek to maintain a safe workplace, free from any threat of physical violence, emotional abuse, or any form of potentially violent intimidation. Therefore the following policies will be followed:

Acts of violence, verbal intimidation, obscenity, vandalism, sabotage, damage to library property, or the threat of such acts are prohibited. All complaints, reports, or advisements will be thoroughly investigated and reported to the proper law enforcement authorities as is warranted by the circumstances.

Library staff members are advised to report any such acts, or threats of such acts as stated above first to the Police and immediately thereafter to the County Library Director.

Any such acts or threats of such acts as described above which are committed by library patrons or visitors, will not only be reported to law enforcement officials, but may result in the suspension or revocation of library privileges.

SECTION TWELVE: COMPLAINTS AND CHAIN OF AUTHORITY

12.1 Comment Boxes

Rev. 4/21/2021

SECTION THIRTEEN: AVAILABILITY OF SERVICE

13.1 Hours of Library Building Operation

Rev. 4/21/2021

The Library System makes an effort to open all library buildings as many hours as possible. Attempts are made to have a balanced schedule of morning, afternoon, and evening hours; and weekday and weekend hours. Suggestions for changes to the hours may be submitted to the County Library Director as directed under Section Thirteen of this document.

13.2 Holiday Closings

5/19/2010

Deviations from the regular operating schedule of the Library System for reasons other than hazardous weather, emergency, or unusual situations must be authorized by the Nottoway County Public Library System Board of Trustees. Publicity about such closings will be posted at all library locations when this can be done safely.

13.4 Twenty Four Hour Web Page Access

Rev. 12/21/2022

Whenever possible, the Nottoway County Public Library System will post closings on its website and Facebook page.

SECTION FOURTEEN: USE OF LIBRARY COMPUTERS

14.1 Software Applications

5/19/2010

Software applications such as word processing are available on computers at all Nottoway County Public Library System libraries. The installment of software by person or persons not under the employ or direction of the Library System is prohibited.

14.2 Online Periodicals

Rev. 10/16/2024

Magazines are available through the Library System's web page.

14.3 Computer Resources

Rev. 10/16/2024

The library provides access to computer equipment, programs, databases and the Internet (collectively, the "computer resources") for informational and educational purposes. All users of the library's computer resources, both staff members and patrons, are expected to use these resources correctly and only for legal purposes. Computer resources may not be used for the following purposes:

- Violation of any applicable federal, state, or local laws, ordinances, rules, or regulations.
- Destruction of or damage to equipment, software, or data belonging to the library or other users.
- Gaining or attempting to gain unauthorized access to any computing, information, or communication devices or resources.
- Violation of computer security or privacy.
- Violation of software license agreements.
- Any and all other matters which the library, in its sole discretion, subject to constitutional limitations, and in consideration of the best interests of the public, determines to be an unacceptable purpose.

Any staff member who observes any violation of these policies will take action to enforce compliance. In this regard, failure to comply with NCPL policies can result in suspension or cancellation of computer resources access, and/or in some cases legal proceedings.

14.4 Internet Acceptable Use Policy

Rev. 1/18/2017

I. Internet Philosophy

Providing Internet access as an information resource is a logical continuation of the Library's role of formal education support and reference service. The Internet enables the Library to provide information and commentary from around the globe to users who may not otherwise have access to this resource. This resource enhances the library's existing collection in depth and in currency.

However, the Nottoway County Public Library System disclaims any responsibility as to the Internet's quality, informational accuracy, authoritativeness, or usefulness for a particular purpose. The library also assumes no responsibility for any damages, direct or indirect, arising from the use of its connection to the Internet or other electronic resources.

II. Responsibilities of Internet Users

Rev. 10/16/2024

The library wishes to make the Internet and all computer resources available to anyone who respects the rights and property of others, including the library, and who abides by these policies. In offering Internet access, library staff cannot control access points which often change rapidly and unpredictably. Users are hereby notified that they are responsible for the access points they reach.

Parents or guardians of minor children must assume responsibility for their children's use of or exposure to the Internet through the library's connection. The Library System applies a filtering system to their computers to protect against access to visual depictions that are obscene, contain child pornography, or are harmful to minors. However, access to Internet sites containing "adult" content, as well as on-line communication with anonymous persons, is still possible. This is because no filter system has been found to be perfect and there can be no guarantees that our filtering system will block undesirable sites 100% of the time.

In order for the library to be in compliance with the Children's Internet Protection Act and with section 42. 1-36.1 of the Code of Virginia, the following regulations, provisions, and recommendations are provided for Library Internet use:

1. All Internet accessible computers are filtered and may be used by patrons of any age without restrictions.
2. Adult patrons (18 years and older) may request from Library staff unfiltered access to the Internet, without explanation.
3. A minor (17 years and younger) may request a librarian to unblock an Internet site. If the librarian determines to the best of their ability that the site is not obscene, does not contain child pornography, and is not harmful to minors as defined by the Children's Internet Protection Act or Virginia law, the librarian may unblock the site.

Computer resources may not be used for the following purposes:

- Harassment of other persons or parties.
- Disruption or unauthorized monitoring of electronic communications.
- Unauthorized copying of copyright or other protected material.
- Unauthorized use of computer accounts, access codes, or network identification numbers assigned to others
- Access or transmit illegal activity, child pornography, sexually explicit material that appeals to the prurient interest or any other material that is not constitutionally protected.
- Online dissemination of obscene or harmful to minor's materials, including those for the specific purpose of inducing them to engage in or perform sexual acts.
- Violation of another person's or party's privacy.

The library has sole discretion regarding content displayed on a computer screen; this is subject to constitutional limitations. If content is determined by the library staff to be unacceptable, the staff member may request the patron using the computer to cease viewing the offending computer site.

Any staff member who observes any violation of NCPL Internet policies will take action to enforce compliance. In this regard, failure to comply with NCPL policies can result in suspension or cancellation of Internet access, and/or in some cases legal proceedings.

III. Staff Assistance

Because of limited staff resources, the Nottoway County Public Library System will not always be able to provide intensive assistance to Internet users. At busy times, staff will only be able to assist a patron with getting started, and then if possible will return later to check on progress.

IV. Time Limits

Rev. 12/21/2022

Due to a limited number of computers, all patrons wishing to reserve a computer will need to sign up at the Circulation Desk. Reservations can be taken by phone as well as in person. If all computers are already in use when a patron requests a computer, the patron having been on longest will be asked to vacate the station. Patrons are expected to begin logging off five minutes before library closing time.
