It's Showtime at Your Library

The Summer Reading program this year is set to begin **the first full week in June** and continue for **six weeks**. Bring the kids and join us each week to make a themed craft, discover related books, and keep up those reading skills. Children are encouraged to **keep track of the time spent reading** – and Ms. Janet will make sure that they will **be rewarded** for it 😊

Don't miss a presentation from Richmond's **ScienceTellers** on **Monday, June 10th at 11:00 a.m.** This special event is open to everyone – not just **Summer Reading** participants – and will take place at the **Crewe Library**. You won't want to miss this action-packed and **educational alien adventure using science experiments for special effects**.

Don't Just Read...*CreATE*

In addition to our weekday Summer Reading programs, this summer the Nottoway County Public Library System will offering **programming on Saturdays**, too! Bring the kids to join us each week at **11:00 a.m. in Crewe** for a different **movie-related activity**, and after stretching your creative muscles, you're welcome to enjoy a snack (thoughtfully **provided by the Friends of Crewe Library**).

Our premier event featured **The LEGO Movie** and related challenges, and for June 8th, the focus will be on **Moana**. What will we be doing after that?

You'll just have to bring the kids and join us to find out!
