The Friends of the Library are non-profit, volunteer organizations which work to support the Nottoway County Public Libraries. They raise funds for library improvements and programs and gladly welcome new members.

The Nottoway County Public Library offers a wide selection of **eBooks and digital magazines**. These are available to download through the website at www.nottlib.org

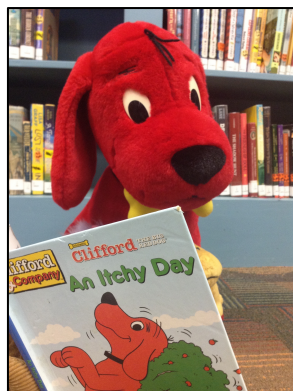

Take & Make Kits

Don't forget – each of our library offers a variety of Take & Make craft kits that are available for your children to pick up **while supplies last**.

As of the beginning of October, all branches have kits to make **dragon puppets**, and other kits – like **penny spinners** – are available only at certain locations. In the weeks ahead, you'll be able to pick up a DIY **catapult**, all you need for **dot painting** (that one's **for adults!**), and more.

Stuffed Animal Sleepover ☺

Even though we still aren't getting together for programs, there's no reason that your stuffed animal can't enjoy all that the library has to offer! Youngsters are invited to bring their furry (inanimate) friends to the **Crewe Library on Monday, October 26th**. The fluffy ones will then spend the night and enjoy some after-hours adventures before being collected by their owners the next day.

When your child comes to collect the overnight guest, he or she will also be given photos that show what the stuffed animals were up to when the library lights were out.

Community News – Candidate Forum

News coverage by Burkeville Community News

Four candidates are running for mayor of Burkeville; all have been invited to be at a forum being held by the Crewe-Burkeville Chamber of Commerce at 6 p.m. Oct. 14, at the town fire station. To allow for more people and social distancing, the event will be in the bays of the station.

Chamber President Beth Robertson says Mayor Phil Miskovic and Blackstone Mayor Billy Coleburn will be co-moderators. Candidates invited to take part are Brian Weltch, Adam Cliborne, Ray George, and Tommy Goin. All except George are newcomers to the political and local government scene.
