The Information Junction

We're Back! (sort of)

It will not yet be "business as usual" at the library, but the **Burkeville and Blackstone libraries will reopen June 16**. To help protect the health of the community members and staff, **service will be by appointment only and masks will be required**.

Readers are encouraged to place holds online or by phone so that their materials can be made ready for them. To schedule an appointment to collect your items or use a computer email info@nottlib.org or call 645-8688 and leave a message .

We hope to open the Crewe Library (by appointment) early in July. Until then, please visit one of the open branches and remember that our digital library is available all day, every day. If you do not have a card, email your information to info@nottlib.org or leave a message at 645-8688.

Coming Soon – Bags o’ Books

If you want books for the kids but don't know which titles you want, you'll soon be able to **request a theme bag!** We're starting with bags of **picture books**, and you'll be able to request a specific bag or suggest a theme and let us do the work. Soon we'll have bags of books for other ages, too – including adults – and you'll be able to choose a theme or, if you want to try something new, ask for a surprise selection.

July Brings Summer Reading for All

Thank You!

In May, we asked you to drop off a card, note, or drawing at any of our branches. Thanks to your generosity, more than 200 were collected and sent to the residents of local assisted living facilities.
